National Republican Convention at Chicago Is Rapidly Nearing End

Johnson, of California, Walks From Hall But Followers Remain at Request of Roosevelt

CONVENTION HALL, Chicago, June 22.—The report of the committee on credentials was submitted this afternoon to the national republican convention and was adopted at 2:45 p. m. The Taft delegations were seated in every case. Johnson Walks Out.

Then followed the adoption of the report on permanent organization, which, on adoption, made the temporary officials permanent. At this stage of the proceedings Governor Hiram Johnson of California walked out of the convention declaring he "did not care to see a continuation of the outrage being perpetrated."

After walking from the convention Johnson issued the following statement through Lisner:

"I shall not sit in this convention during the nomination of the president nor consider myself bound by its actions. Not only was the fraudulent roll call foisted to defeat the people's will, but the law of the state of California acquiesced in by the president and every faction in California, has been nullified. As the governor of California, I feel it my plain duty to no longer remain in the convention. All of the California delegation is in accord with my idea but I have requested them to remain and carry out the general plan of the Roosevelt delegates."

Roosevelt Demonstration
A Roosevelt demonstration came when Henry Allen of Kansas announced that he wished to read a brief statement from Col. Roosevelt. The Roosevelt forces leaped to their feet with a shout and drowned the voice of the Kansas delegate.

After the tumult had been quelled Allen read the statement previously given out by Roosevelt and the cheering that resulted for the ex-president was the strongest since the convention opened. Kansas lead in a standard parade, all the Roosevelt states joining, the delegates chanting, "We want Teddy. We want Teddy."

Resolutions Adopted
The demonstration lasted for 21 minutes and then Fairbanks, the chairman of the resolutions committee was recognized and began his report of the platform as adopted.

ROOSEVELT DELEGATES WILL TAKE NO PART IN SESSION

CONVENTION HALL, Chicago, June 22.—When the convention was called to order at 10:44 the prospects indicated that Taft would be nominated, his running mate selected and the adoption of a compromise platform with certain concessions to the progressives, before the final adjournment was taken at midnight.

The Roosevelt forces are expected to passively resist every movement, but it is believed certain that Roosevelt will not personally appear within the convention hall and his name probably will not be presented for consideration. The Roosevelt leaders plan for no prospective member of the coming national progressive party and will accept any nomination by the present convention.

There still remains a possibility of a bolt and if it comes Roosevelt is expected to have the same strength as shown on the California bolt.

No Objections Raised

The Roosevelt forces made no serious objections to the adoption of the credentials committee report seating the Taft delegates except in the Washington case when bitter criticism was voiced. All the Taft delegates were seated by viva voce votes and while the convention was marking time, many of the delegates indulged in howling and cat calls to voice their displeasure. The action of the Roosevelt followers came as a surprise.

Reck High Water Mark

The Roosevelt followers agreed last night that the action in seating the California delegates was the "high water mark" and saw no reason to force the issue further. A long statement was issued declaring that the nomination had been stolen but that the issue remained that the "people shall rule," and concluding, "we do not bolt but merely insist that you, not we, are making the record, and we refuse to be bound by it. We pleaded for ten days. We fought for five days for a square deal. We will fight no more or plead no longer. We shall sit in silent protest and the people who sent us here shall judge us."

If refused permission to read the statement to the convention the Roosevelt leaders will circulate it throughout the country. It is expected that Roosevelt will remain in Chicago after the convention adjourns.

Johnson to confer with associates regarding the new national progressive party.

Progressives to Meet

It has been planned that all Roosevelt delegates in Chicago meet after the adjournment of the convention and choose a temporary chairman and other officers for the national progressive party.

"We are going to make them nominate Taft," declared Senator Dixon, Roosevelt's campaign manager, this afternoon. He refused to make any further explanations.

It is reported that Senator Crane has asked Governor Hadley if he would accept the presidential or vice presidential nomination but both refused to discuss the subject.

Preference Primary Defeated

The platform committee has decided that the platform will contain no mention of the initiative, referendum or recall. The preference primary plank was defeated by one vote.

Roosevelt has issued a new address to his supporters declaring that he will not release them and volunteers the hope that they will not vote in the convention.

METAL KING MINING COMPANY INCORPORATES

Articles of incorporation were filed today with County Clerk Robert G. Pohl by the Metal King Mining company, which names its principal place of business at Round Mountain. The capital stock of the company is placed at \$100,000 with 1,000,000 shares of a par value of 10 cents per share.

The incorporators are R. P. Critchlow of Ogden, and Horace Lewis and F. L. Dodge of Salt Lake.

AWARDED JUDGMENT IN DISTRICT COURT

Judgment was awarded the defendant in the case of T. J. Lynch versus the King Tonopah Mining company in the district court late yesterday afternoon. Lynch brought suit to recover \$7,521.22 which he claimed to have advanced the mining company several years ago and which was not repaid.

In declaring judgment Judge Averill also awarded Lynch legal interest on the amount from May 1, 1907.

BONANZA EXTRA WILL INFORM TONOPAH WHEN PRESIDENTIAL NOMINATION IS MADE AT CHICAGO

That the residents of Tonopah might be informed without delay the choice of the republican national convention for president, the Bonanza tonight will issue an extra as soon as the word is received from the convention hall that the nomination has been made.

This extra is to be issued for the sole purpose of protecting the subscribers of this paper. The Bonanza believes that the subscribers are entitled to the news as it occurs and rather than delay the publication of this important event until Monday evening, which would be the next date of publication, the extra will be issued and delivered early tomorrow morning.

Press dispatches received from Washington today announce that every effort will be made to complete the business before the convention by midnight tonight. The important business that remains unfinished is the nomination of the party's choice for the presidential candidacy, the nomination of a candidate for the vice presidency, the adoption of a platform and other matters of less importance.

Since the opening of the convention last Tuesday this paper has given a complete review of each day's happenings and in some instances the accounts as received have equalled and even exceeded the reports as carried in the large coast dailies. This has necessitated the expenditure of no small amount of funds, but realizing that the people of southern Nevada demand the news, the same system will be followed until the republican convention finally adjourns.

As soon as the extra is issued tonight newsboys will be dispatched throughout the residence district and all who desire to know the outcome of the convention can secure the final account of the proceedings without delay.

Listen for the shouts of the newsboys tonight.

BRIEF HAPPENINGS OF CHICAGO CONVENTION

CHICAGO, June 22.—"The christening of the new party will be an important part of the procedure of the bolt," said Amos Pinchot, one of the Roosevelt leaders. "I favor a real bolt, a new party and a new deal. I shall favor calling it the progressive party. Under such a name we could enlist progressive democrats as well as republicans."

CHICAGO, June 22.—Everywhere Mrs. Alice Longworth goes the crowd recognizes her instantly. "Princess Alice" doesn't mind it a bit, but Mrs. Theodore Roosevelt, who is also generally recognized, retreats behind a heavy veil. To save both ladies embarrassment from the curious, a special detail of picked plain clothes men follow them everywhere they go in public—just as secret service men did when T. R. was in the White House.

CHICAGO, June 22.—A well organized movement to have the platform builders insert planks recommending retirement of superannuated civil service employees was made today. Associations, organizations and societies of the government clerks appealed to the parties to this end.

CHICAGO, June 22.—Chicagoans

AMALGAMATED AT MANHATTAN IS IN PRODUCING CLASS

KENDALL SYNDICATE DISPOSES OF PORTION OF LEASE ON LIBERTY

Special to the Bonanza

MANHATTAN, June 22.—The lease of Kendall, Douglas and associates on the Liberty Fraction, which fraction is a part of the group of the Manhattan Amalgamated Mining company, has been taken over by the company and work under its management has been under way for several days. Inside of a very few days hoisting ore will be started.

But the main work to be done here will be to sink the shaft 100 feet deeper, reaching a depth of approximately 250 feet, with a machine drill, and developing and stripping the large ore bodies that are known to be there. This work is being done through the Kendall shaft and by a division of time with the Kendall machinery on the Consolidated lease which is still in full swing. Superintendent Walter Wilson of the Amalgamated is very confident of results that when attained will be equally gratifying to stockholders.

On the strength of the present

are pointing with a good deal of pride to the fact that since the convention crowd arrived there have been only a total of a dozen small thefts reported to the police. The reason, the police hint, is that word was passed out through the underground channels that folks wearing badges must be let severely alone or there would be a cleanup of all the suspects in the city.

CHICAGO, June 22.—If the reading clerks of the convention had had ought to say Mr. Jonah K. Kallaniasale would not have been sent here as a delegate from Hawaii. They stumble over Mr. Kallaniasale ever time they call his name.

CHICAGO, June 22.—In one short instant today a sharp-nosed individual with a goatee and a Taft button became the most despised, and at the same time most carefully watched person with which door keepers at the Coliseum had to deal. The hatchet-faced person lolled about unnoticed until a door keeper passed the word that he was a Burns detective placed there to "pinch" those who tried to smuggle friends into the hall. The suspected sleuth evidently felt this report, for it was not very long until he disappeared.

showing, from which Kendall mined and milled a lot of ore, an ore bin will be constructed immediately.

The reason for the Kendall syndicate disposing of this portion of the lease is the fact that it had but four months more to run, and that to continue with it meant sinking a shaft of 100 feet at once. It was feared that not enough ore could be stopped out in the four months to make it pay. Kendall, in fact, is too busy with his big shoot in the Consolidated. The company would not renew the lease, wishing to work the ground itself, nor let any more leases.

This deal means that the Amalgamated is at once placed in the ranks of producing companies.

MOOSE CHALLENGE ELKS

The Tonopah lodge of Moose have challenged the Tonopah lodge of Elks to play a game of baseball on Sunday, June 30, at Recreation park, and it is understood that the Elks will have their champions in the field on that date. The proceeds of the game will be devoted to charity.

MARINES ON THE JOB

SANTIAGO, June 22.—The United States battleship Mississippi left Guantanamo this afternoon with 50 marines aboard to reinforce the garrison at El Cuero mines, which is threatened by the insurgents. The gunboat Paducah sailed from Santiago today for an unknown destination.

DEMOCRATS NOW MAKING PLANS FOR VICE PRESIDENT

EVERY EFFORT WILL BE MADE AT BALTIMORE TO PREVENT SPLIT IN PARTY

BALTIMORE, June 22.—Plans are being made here today to strengthen the democratic national ticket by including one of the defeated candidates for the presidential nomination to accept the second place.

Possible combinations suggested, Clark with either Wilson or Gaynor in second place; Wilson with either Clark or perhaps Harmon.

Supporters of Harmon favored either Wilson or Underwood as associates, and Underwood, according to his friends, would favor as a running mate either Harmon or a western democrat. In the event of Gaynor's nomination, it seems that an appeal will be made to Champ Clark, if he loses the contest for first place, to run for vice president in the interest of party welfare.

Champ Clark's camp was established today in the Emerson hotel. His campaign will be under the direction of Senator Stone of Missouri. In striking contrast to the republican convention, contests here next week will involve only about 40 delegates, according to Secretary Urey Woodson.

BRYAN WILL BOLT IF HARMON IS NOMINATED

"FEARLESS ONE" WILL FIGHT ON FLOOR OF CONVENTION AGAINST PARKER

BALTIMORE, June 22.—The fight to be waged by William Jennings Bryan over the election of Alton B. Parker as temporary chairman of the democratic national convention, is expected to be the big feature of the convention when it gathers next week. The national committee is expected to ratify the sub-committee selection Monday.

Bryan will carry his fight to the floor of the convention Tuesday. It is predicted that if the conservatives and Murphy nominate Harmon for the presidency that Bryan will bolt the convention.

TO OCCUPY PULPIT AT PRESBYTERIAN CHURCH

Rev. J. M. Swander of Las Vegas has accepted a call to the Presbyterian church at this place and will be here to conduct services Sunday, June 30.

DENY SEATS AMID JEERS AND CHEER

CONVENTION LAST NIGHT DECIDED IN FAVOR TAFT MEN FROM CALIFORNIA

CONVENTION HALL, Chicago, June 22.—The closing scenes in the convention last evening just prior to adjournment when the delegates refused to unseat the two Taft delegates from California, equaled the first day's proceedings from a point of disorder. The final vote denying seats to the two Roosevelt delegates from the fourth California district, stood 542 to 529, ten delegates not voting.

Cheers and jeers greeted the different speakers who discussed the subject. When Heney concluded his address he received the plaudits of the Roosevelt delegates and the jeers of the Taft followers. Sen. Payne followed and he was cheered by the New York delegation and booed by the California, Pennsylvania and Iowa representatives.

Heney concluded by saying that Tryon and Meyerfield "had not dared" to sit with the California delegates. A New York delegate shouted: "Maybe they did not want to sit with you." Heney declared that Taft in accepting these two votes was guilty of high treason, and was roundly hissed by the Taft followers and the galleries.

"No man on earth can tell," continued Heney, "what delegates received the highest number of votes in the fourth district. There were 29,000 votes cast in the fourth and fifth districts. Combine these votes and Roosevelt would have a majority of 3900. I have the certificates of the secretary of state and the registrar of San Francisco to show this statement to be true. Only members of a national committee, whose seats like these were stolen, would have the nerve to claim they could differentiate those votes."

Payne began by asserting the reason the two California Taft delegates were not sitting with the other Californians was because Governor Johnson had given their tickets to the two delegates the national committee refused to seat. Payne then read the report the national committee filed when the two Taft delegates were seated.

"That report is a lie," shouted the Californians. A chorus of hisses and boos swept over the audience.

Chairman Root demanded order. "Gentlemen," he announced, "the delegates who are refusing to give the speaker the same courtesy accorded Mr. Heney, can rest assured that no republican convention ever gained anything by hissing and booing." The appeal for fair play was cheered by both sides and much of the clamor ceased. Payne's argument was technical and went into great length into the precedent involved.

NOTICE

Sealed bids will be received by the undersigned for the entire privilege of handling and granting concessions at Recreation park during the Fourth of July celebration. Bids will close on July 1.

ED MALLEY, Chairman.
